Mission Highlights Cont...

I was in jail for two weeks in Bonner County Idaho when I had finally decided to start getting my life back together. I was aware of the mission and had come to the realization that I had nowhere else to live. I needed some sort of a foundation in order to become a more productive member of society.

The Bonner Gospel Mission has been an absolute blessing to me. In my time here they have provided me a warm place to call home, with good food and friends that are positive influences. At first, I really did not want to be at the mission because I did not want to commit my life to the Lord. However, I have learned that by following the word of God you will be more fulfilled than what the world offers.

I can't fully express how different my life is now, as well as my outlook for the future. There is now hope in my life. I am getting further and further away from drug use, unhealthy ways, and death. I am so grateful and cant wait to keep progressing in life knowing that God will always have my back. I am now working and eagerly learning about God and how to obtain and then maintain a fruitful life.

Life at the Misson

We mentioned in our last newsletter that we were having a change in staff. We have hired Lucas Sheetz to be our new Assistant Director. His love for the Lord and willingness to teach, encourage, and serve our guests has been a blessing to watch. He has taken on a lot of the responsibilities here and will be mentored to become the next Executive Director. The ministry of the Bonner Gospel Mission, to serve our community by sharing the Gospel with the men that come, will continue on for years to come.

Your Servant,

Steve Schubarth

Hello Friends,

My name is Lucas Sheetz and I would like to share some of my story that has led me to Bonner Gospel Mission. Before my testimony, I want to praise the Lord for His amazing provision in my life! Jesus the Christ is King of Kings and I declare Him my risen Savior!

I was born and raised in North Idaho and grew up in the church. As a teenager, in summer camp, I was saved by grace through faith. I have continued to walk with the Lord, growing deeper in connection with Him though out the years. God has also blessed me with an amazing family.

I am married to my one and only love Larisa, such a wonderful wife of 19 years! We have 5 children: Kylee 17, Jensen 15, Avery 13, Adalynn 9, and Theodore 5.

God woke me up in the middle of the night telling me to submit. I was a little confused and sleepy, but He assured me that He would sustain me through out the day. The Holy Spirit told me that I had not fully submitted and there was more I could do for God's Kingdom. The Holy Spirit has convicted me to surrender all to his guidance and to use my skills to serve others. He impressed upon my heart to submit and read I Peter. *As every man hath received gifts, even so minister the same one to another, as good stewards of the manifold grace of God. I Peter 4:10* And just like that, I am all in! God called me into His Service and then paved the way, opened the doors, and prepared hearts. I am humbled to be here at Bonner Gospel Mission and I pray to be His hands and feet. I am grateful for this opportunity to serve.

In Humble Submission,

Lucas Sheetz
