Mission Needs

1. The Mission could use new sheets for our beds. Twin and Full sizes please. Our sheets are starting to get worn and we need to start replacing them.
2. We could use some deodorant, shampoo and conditioner.
3. Affordable housing for the men when they leave the mission.
4. Job opportunities so the men here can earn enough to be self-sufficient.
5. Meat that can be portioned and frozen for meal preparation. Chicken, pork, beef, etc...

Mission Blessings

1. One of the men received funding for a train ticket. He is on his way across the country to reunite with family after 3 years! He also has multiple job opportunities once he arrives.
2. Our bible studies have been well attended and full of rich conversation.

Testimony Opportunity

In February, two men from the Bonner Gospel Mission had the opportunity share their testimonies. Justin (top) and Tyler (bottom) shared how God has worked and continues to work in their lives. They emphasized the difference of living life according to the flesh and living a life desiring to follow God's will. They opened their hearts and shared how God is strengthening them through the ministry of BGM. Praise the Lord for the work He is doing in Justin and Tyler! Thank you Sagle Bible Church for opening your doors and welcoming us to come and share.

Mission Highlights

Men at the Bonner Gospel Mission

At the Mission, we get the opportunity to serve so many men. Here are some of the men that God has brought to the Mission this past month. Please join me in prayer for each of these gentlemen and having the Holy Spirit move mightily in their lives.

Likewise the Spirit helps us in our weakness…. Romans 8:26

Always pray to have eyes that see the best in people, a heart that forgives the worst, a mind that forgets the bad, and a soul that never loses faith in God.

This quote is framed and hung here at the Mission. It is a good reminder for us to have the eyes, heart, and mind of Jesus in every interaction we have. Let us remember how much He loves every single person and we have the awesome privilege to be the light to the world. A city on a hill, a beacon of hope.
